**WHAT A BUSINESS OWNER BELIEVES
DETERMINES THE SUCCESS/FAILURE
OF HIS ENDEAVOUR**

Dr. Tim Hall, author of *Uproot Your Past, Nourish Your Present, Enhance Your Future Through Self-Hypnosis*, has a fresh approach for those business people who struggle with a "cap" on their incomes.

"Your current habits create your current sales projections. Change your habits; double or triple your income."

You can use self-hypnosis to create and reinforce success "habits", effortlessly.

Dr. Hall's reference guide has everything you need to know to change your life. He explains in detail the way we are all emotionally and psychologically wired. He gives tons of examples, and even gives us exercises to do that will result in changes, right NOW!

Dr. Tim Hall is a fascinating and thrilling person to interview. His topic is a favourite among today's audiences and readers.

If you would like more information, or to book Dr. Hall for an interview, please contact us at:
